

\$2 Chess

FOR CHARITY

How it works:

- 1. We play a game of chess, with 10 minutes each (rapid format).**
- 2. If I win, you'll donate \$2 to one of my three chosen charities. If you win, I'll donate \$2 to a charity of your choice. (Or you can pick from 10+ great ones I've vetted for you).**
- 3. Optional: After we play, I can provide you with simple chess tips to improve your game.**
